A DIFFERENT PLACE TO LIVE

THE FLAG hygiene concept

The health of our guests and employees is of utmost importance to us. Therefore we have introduced guidelines and hygiene measures to ensure a high level of safety. All measures listed here are adapted to the regularly pandemic situation.

Public areas

If necessary, our guests will be informed about safety and hygiene regulations by clearly visible notices.

Disinfection dispensers are provided in the entrance area and in other public areas.

All highly frequented surfaces are cleaned regularly with an antiseptic disinfectant.

Reception

At the reception, staff and guests are separated by Plexiglass walls.

The room cards are disinfected after use.

Contactless payment is possible and desired.

Room cleaning

The rooms are additionally cleaned with antiseptic disinfectant.

If necessary, the cleaning staff wears protective masks and disposable gloves.

After room cleaning, the rooms are not re-entered until the guest arrives.

After the guest has checked in, only cleaning staff and house technicians are allowed to enter the room.

Upon request, guests can be supplied with towels and bed linen without contact.
